Institute of Graduate Studies

BUDAPEST SEMESTERS IN MATHEMATICS is a program conducted by the Institute of Graduate Studies. Courses are taught in English by instructors from Eötvös University and the Mathematical Institute of the Hungarian Academy of Sciences.

BUDAPEST SEMESTERS IN MATHEMATICS operates on the semester system and employs the A/B/C/D/F grade system with + and - for in between grades. Course syllabi are available from the North American Program Director Prof. Paul D. Humke, e-mail: [Humke@stolaf.edu](mailto:Humke@stolaf.edu)

For more information write to the Program Director Dr. György Petruska, College International,  
Villányi út 11-13, 1114 Budapest, Hungary
